## Bios for the 2024 Applicants

### **Matthew Morlan** (Incumbent): Other Background

"I have served on the Board of Fox Creek High School since 2022. I would like the opportunity to continue serving the student body, the faculty, and the community as a board member of Fox Creek High School. I have an interest in being a part of the decisions that represent the needs of the employees and students, which includes the future growth of Fox Creek."

### **Michael Ray** (Incumbent): Business Background

"Continue support of our teacher, staff, and students. 12 years served on the board."

### **Lisa Thomas**: (Incumbent) Business Background

"Continue to see the progression of the high school and the addition of the middle school."

### **Will Riddle**: Other Background

"As a pastor with 15 years of experience serving the community as a part of Stevens Creek Church, I am committed to making a positive impact on the lives of students at Fox Creek High School. My wife, Suzanne, and I have been married for 21 years and became proud residents of North Augusta in 2007. We did live in Denver, CO, for nearly two years between 2018-2020, but we returned to North Augusta because of our love and commitment to the community. As the father of three children, Aiden (17), Silas (15), and London (9), two of whom attend Fox Creek, I have a vested interest in the school's success and future. My vision for Fox Creek is to come alongside the already incredible leadership and continue cultivating an environment that nurtures students' academic, social, and personal growth, preparing them to become well-rounded members of the community. I would like to find ways to support not only the students at Fox Creek High School but also their families, as well as the dedicated staff and faculty who serve the school so well. By serving on the school board, I aim to contribute my leadership skills, problem-solving abilities, and passion for student and family development to support the school's mission and ensure that everyone connected to and involved with the school has the opportunity to reach their full potential. With my long-standing commitment to the community and dedication to the well-being of students and families, I believe I can be a valuable asset to the Fox Creek High School board."
